INDEX

Vol. 85, Nos. 1-6, January-December 1994

ADVANCEMENT examination preparation, a recreational approach to 5:16
Aerobic fitness, gender, and motion sickness susceptibility 4:28
Alcohol
  fatal ethanol intoxication at an overseas liberty boat landing 4:14
Alternate Technologies and Home Care Service (ATHCS): an interdisciplinary approach to alternate health care 6:6
Antenucci, P., Naval Reserve bolsters Navy pilot program 2:10
Armed Forces Institute of Pathology (AFIP), list of short courses for January-February '95 6:28
Assaf, R., LT 4:1
Assessment of the TQL infrastructure in Navy medicine 1:12

BAKER, R.H., CAPT, MSC, USNR (Ret.), recollections of NAMRU-2: 1944-1946 6:18
Bates, J.F., CAPT, "Training for Excellence" 6:28
Bleeding disorders, approach to 2:24
Bohnker, B.K., CDR, MC
  fatal ethanol intoxication at an overseas liberty boat landing 4:18
  shipboard medical emergency: away the medical response team 6:10
Bradley, J.H., in memoriam 1:34
Brado, J., LCDR, MSC, World War II *Comfort* reunites crew 1:2
Brook, I., CDR, MC, selective decontamination in the prevention of infection after irradiation 4:25
Burwell, W.B., LT, MC, USNR, the first Kamikazes 5:6
Buzz bombs 3:23

CARLSON, E., LCDR, MSC, health psychology in the Navy: emergence of a new discipline 1:15
Carriacou, Caribbean island, Reserve dental exercise JOTS '93 1:4
Casualties, treating, at Fleet Hospital Zagreb 4:4
Chappo, J., CAPT, Flight 808 crash 2:6
Christopher, K., HM2(AW), aerobic fitness, gender, and motion sickness susceptibility: a brief review 4:28
Competency-based performance development 4:14
Crenshaw, D.W., JO1, Navy flight surgeon saves lives with Air Force RQS 4:1
Crutcher, J.M., CDR, MC, USNR, malaria: lessons from Somalia and General Slim 2:16, 3:8
Curran, M.T., CDR, DC, USNR, the "miracle" of Flight 808 2:6
Curran, T.R., CAPT, Flight 808 crash 2:6

DECONTAMINATION, selective, in the prevention of infection after irradiation 4:25
Dentistry, Navy
  JOTS '93 1:4
  Naval Reserve bolsters Phased Dentistry program 2:10
DOD health care reform: TRICARE 4:8

EBERSOLE, J.H., CAPT, MC (Ret.), in memoriam 1:34
Eckstam, E.E., LT, MC, USNR (Ret.), the tragedy of Exercise Tiger 3:5
Education (see Training)
Engel, J.M., RADM, NC
  becomes 18th Director of the Nurse Corps 5:4
  flag officer selectee 2:1
Enlisted personnel
  advancement examination preparation, a recreational approach to 5:16
Exercise
  aerobic fitness, gender, and motion sickness susceptibility 4:28
Exercise Tiger during World War II 3:5
Eyes
  night vision, mobile NITE lab 5:1
  photorefractive surgery in the Navy 1:27

FEDUIK, F.R., a corpsman remembers D-Day 3:13
Fitness, aerobic, gender and motion sickness susceptibility 4:28
Flag officer selectees
  Engel, J.M., CAPT, NC 2:1
  Johnson, J.K., CAPT, DC 2:1
  Rowley, W.R., CAPT, MC 2:2
Fleet Hospital Zagreb, treating casualties 4:4
Fleet, rethinking tactical medical support 1:1
Flight 808 crash 2:6
Flight surgeon saves lives with Air Force RQS 4:1
Frame, J.N., CDR, MC, approach to bleeding disorders 2:24
Frechett, J., World War II chronology: Navy medicine November-December 1944 6:24

GAMBLE, P., LCDR, NC, quality improvement shows a new way at Orlando Branch Medical Clinic 6:9
Gimbel, R., LT, MSC, USNR, Alternate Technologies and Home Care Service (ATHCS): an interdisciplinary approach to alternate health care 6:6
Giordano, J., LT, MSC, USNR, aerobic fitness, gender, and motion sickness susceptibility: a brief review 4:28
Goldberg, G.M., LCDR, MSC, health psychology in the Navy: emergence of a new discipline 1:15
Greenwood, M.C., LCDR, NC, competency-based performance development 4:14
Griffin, L.A., HMC(SW), the faces of AIDS 3:12

HAGEN, D.F., VADM, MC, a conversation with the Surgeon General 1:18
Handy, R.D., CAPT, MC, letter to editor 3:36
Health care
  Alternate Technologies and Home Care Service (ATHCS) 6:6
  competency-based performance development 4:14
  THCSRR model: determining Navy medicine's readiness manpower requirements 5:19
  TRICARE: DOD health care reform 4:8
Health psychology in the Navy 1:15
Herman, J.K.
  Feduik, F.R., a corpsman remembers D-Day 3:13
  Hagen, D.F., VADM, MC, a conversation with the Surgeon General 1:18
  how to close a naval hospital 1:7
  letter to editor 3:36

NOTE: Figures indicate the issue and page in Volume 85 of *Navy Medicine*. For example, 5:16 shows the article may be found in issue No. 5 (September-October 1994), page 16.

Herman, J.K. (con.)
Navy nurses remember the invasion 3:20
the first Kamikazes 5:6
Theodore Roosevelt's Industrial Hygiene Officer 6:14
History
buzz bombs 3:23
chronology: Navy medicine January-December 1944 1:22, 2:20, 3:24, 4:20, 5:23, 6:24
Exercise Tiger during World War II, tragedy of 3:5
Feduik, F.R., a corpsman remembers D-Day 3:13
Kamikazes, the first 5:6
NAMRU-2: 1944-1946, recollections of 6:18
Navy nurses remember the invasion 3:20
World War II photos 3:18
HIV prevention, scientific team launches military-based intervention for 5:28
Hoffman, S.L., CAPT, MC, USNR, malaria: lessons from Somalia and General Slim 2:16, 3:8
Hospital corpsmen
advancement examination preparation, a recreational approach to 5:16
Feduik, F.R., a corpsman remembers D-Day 3:13
MRT aboard USS *George Washington* 6:10
Hospitals, Navy
Charleston, SC, Alternate Technologies and Home Care Service (ATHCS) 6:6
Cherry Point, NC, learning survival 2:3
Long Beach, CA, closing of hospital 1:7
Hottle, D.C., CPL, USMC, learning survival at Naval Hospital Cherry Point 2:3

INFECTION, prevention of, after irradiation, selective decontamination in 4:25
In memoriam
Bradley, J.H. 1:34
Ebersole, J.H., CAPT, MC (Ret.) 1:34
Lopes, N.E.G., LCDR, MSC 1:35
O'Connor, R.C., CAPT, CHC 1:35
Sherman, S.R., LCDR, MC, USNR 3:36
Smith, A.L., CAPT, MC (Ret.) 1:36
Interviews
Burwell, W.B., LT, MC, USNR, the first Kamikazes 5:6
Feduik, F.R., a corpsman remembers D-Day 3:13
Hagen, D.F., VADM, MC, Surgeon General of the Navy 1:18
McClellan, S., LT, MSC, *Theodore Roosevelt*'s Industrial Hygiene Officer 6:14

JANOFF, J., JO2, *Sara*'s dermatology team 3:1
Johnson, B., LCDR, MSC, strategic planning and TQL at Doctrine Center 2:12
Johnson, J.J., LT, MSC, USNR, assessment of the TQL infrastructure in Navy medicine 1:12
Johnson, J.K., CAPT, DC, flag officer selectee 2:1
Johnston, C.R., CDR, NC, competency-based performance development 4:14
JOTS '93 (Joint Overseas Training Service) 1:4

KAMIKAZES, the first 5:6
Keflavik, Iceland
Navy flight surgeon saves lives with Air Force RQS 4:1
Kemp, D.G., CAPT, MC, primary care 1995 6:1
Klubes, D.R.
USS *Theodore Roosevelt:* safeguarding the environment 6:12
World War II chronology: Navy medicine March-April 1944 2:20

LAMAR, S.R., CAPT, MSC, TRICARE: DOD health care reform—a basic program overview 4:8
Laurent, C.L., CDR, NC, competency-based performance development 4:14
Ledney, G.D., Ph.D., selective decontamination in the prevention of infection after irradiation 4:25
Liberty boat landing overseas, fatal intoxication 4:14
Lopes, N.E.G., LCDR, MSC, in memoriam 1:35

MALARIA
a collaborative control project begins in the central highlands 3:2
lessons from Somalia and General Slim 2:16, 3:8
Managing MTFs, letter to editor 3:36
Marechal-Workman, A., Naval Medical Center Oakland: a leader in Navy medicine 5:12
McClellan, S., LT, MSC, *Theodore Roosevelt*'s Industrial Hygiene Officer 6:14
Medical response team (MRT) aboard USS *George Washington* 6:10
Mitchum, J., World War II chronology: Navy medicine January-February 1944 1:22, 2:20, 3:24, 4:20, 5:23
Mittelman, M., CDR, MSC, mobile NITE lab hits the road 5:1
Mobile NITE lab hits the road 5:1
Morgan, C., MSGT, USAF, treating casualties at Fleet Hospital Zagreb 4:4
Motion sickness susceptibility, aerobic fitness and gender 4:28

NAMRU-2: 1944-1946, recollections of 6:18
Naval Health Sciences Education and Training Command (HSETC) highlights
Armed Forces Health Professions Scholarship Program 4:17
CAMIS transition to VIPER 3:35
Command Education and Training Coordinators' Seminar 1:33
continuing medical education 2:28
Executive Management Education program 3:35
Independent Duty Corpsman Operational Medicine Seminar 5:15
ITRO (Interservice Training Review Organization) 2:28
Joint-Service GME Selection Board 1:33
medical education and training 1:33, 4:17
naval training requirements review 5:15
Reserve Allied Medical Personnel (RAMP) program offers NECs 3:35
reserve dental technician proficiency courses 5:15
tuition program for reserves in allied medical programs 5:15
Naval Medical Doctrine Center, strategic planning and TQL 2:12
Naval Medical Research and Development Command (NMRDC) highlights
campylobacter vaccines 5:14
diagnostic kit for BW agents 4:32
enterotoxigenic *Escherichia Coli* vaccines 4:32
entomological and Rift Valley fever surveillance support to Operation Bright Star '94 6:23
gender-neutral performance-based strength standards for aviation and naval flight officers 5:14
health issues of women aboard ship continues 5:14
improved hearing protector 3:34
liposome encapsulated hemoglobin 4:32
MEDTAG 3:34, 6:23
Navy medicine's marrow donor program 1:21
noninvasive monitoring of student helicopter pilots' visual instrument scan patterns 3:34
R-134a is being evaluated for ship and submarine use 2:15

NMRDC highlights (con.)
Rupert, A., CDR, MC, wins ATD 1:21
search for new director of R&D 2:15
studies completed for push-pull effect 1:21
study of biomechanical factors of overuse injury during NAVSPECWAR training 6:23
universal donor blood for military emergencies 2:15
Naval Reserve
bolsters Navy pilot program 2:10
dental exercise JOTS '93 1:4
Navy Environmental and Preventive Medicine Unit No. 6, medical research returns to Vietnam 3:2
Night vision training, mobile NITE lab hits the road 5:1
Nurses, competency-based performance development 4:14

OAKLAND, CA, Naval Medical Center: a leader in Navy medicine 5:12
O'Connor, R.C., CAPT, CHC, in memoriam 1:35
Orlando Branch Medical Clinic, quality improvement shows a new way at 6:9
Overseas liberty boat landing, fatal ethanol intoxication 4:14

PAIGE-Dobson, B., LCDR, MSC, health psychology in the Navy: emergence of a new discipline 1:15
Pedrotty, J.R., CDR, MC, a recreational approach to advancement examination preparation 5:16
Photorefractive surgery in the Navy 1:27
Primary care 1995 6:1
Psychology, health, in the Navy 1:15

QUALITY improvement shows a new way at Orlando Branch Medical Clinic 6:9

RADIATION
selective decontamination in the prevention of infection after irradiation 4:25
Rear admiral selectees
Engel, J.M., CAPT, NC 2:1
Johnson, J.K., CAPT, DC 2:1
Rowley, W.R., CAPT, MC 2:2
Recreational approach to advancement examination preparation 5:16
Recruits
Orlando Branch Medical Clinic, quality improvement shows a new way 6:9
Phased Dentistry program 2:10
Research, Navy medical, returns to Vietnam 3:2
Reserve, Naval
bolsters Phased Dentistry program 2:10
dental exercise JOTS '93 1:4
Richmond, D., Second Officer, Flight 808 crash 2:6
Rowley, W.R., CAPT, MC, flag officer selectee 2:2
Ryan, K., LCDR, NC, USNR-R, Alternate Technologies and Home Care Service (ATHCS): an interdisciplinary approach to alternate health care 6:6

SCHALLHORN, S., LCDR, MC, photorefractive surgery in the Navy 1:27
Selective decontamination in the prevention of infection after irradiation 4:25
Sexually transmitted diseases prevention, scientific team launches military-based intervention for 5:28
Sharp, T.W., LCDR, MC, malaria: lessons from Somalia and General Slim 2:16, 3:8
Sherman, S.R., LCDR, MC, USNR, in memoriam 3:36
Shipboard medical emergency: away the medical response team 6:10
Ships
USNS *Comfort,* World War II crew reunites 1:2
USS *George Washington,* shipboard medical emergency: away the medical response team 6:10
USS *Saratoga's* dermatology team 3:1
USS *Suwannee* 5:6
USS *Theodore Roosevelt*
Industrial Hygiene Officer 6:14
safeguarding the environment 6:12
Smith, A.L., CAPT, MC, (Ret.), in memoriam 1:36
Smith, A.M., CAPT, MC, USNR, rethinking tactical medical support in the fleet 1:1
Still, D., CDR, MSC, mobile NITE lab hits the road 5:1
Stratton, M., RADM, NC, Director of Nurse Corps retires 5:4
Survival, learning, at Naval Hospital Cherry Point 2:3

TETREAULT, G.E., LCDR, MSC, U.S. Navy medical research returns to Vietnam: a collaborative malaria control project begins in the central highlands 3:2
Tobacco abuse prevention 3:30
Total Health Care Support Readiness Requirements (THCSRR) model: determining Navy medicine's readiness manpower requirements 5:19
Total quality leadership (TQL)
infrastructure in Navy medicine, assessment of 1:12
strategic planning at Doctrine Center 2:12
Training
advancement examination preparation, a recreational approach to 5:16
dental exercise JOTS '93 1:4
learning survival at Naval Hospital Cherry Point 2:3
night vision, mobile NITE lab 5:1
"Training for Excellence" 6:28
TRICARE: DOD health care reform—a basic program overview 4:8

U.S. NAVAL Medical Research Unit No. 2 (see NAMRU-2)

VIDMAR, D., CAPT, MC 3:1
Vietnam, a collaborative malaria control project begins in the central highlands 3:2
Vision, night, mobile NITE lab 5:1

WALKER, R.I., CAPT, MSC, selective decontamination in the prevention of infection after irradiation 4:25
Wallace, M.R., CDR, MC, malaria: lessons from Somalia and General Slim 2:16, 3:8
Weber, T.H., LT, MSC, the THCSRR model: determining Navy medicine's readiness manpower requirements 5:19
Welch, R., LCDR, NC, shipboard medical emergency: away the medical response team 6:10
Witte, S.D., LCDR, NC, tobacco abuse prevention: meeting the new challenge 3:30
World War II
buzz bombs 3:23
chronology Navy medicine January-December 1944 1:22, 2:20, 3:24, 4:20, 5:23, 6:24
Comfort, USNS, crew reunites 1:2
Exercise Tiger, tragedy of 3:5
Feduik, F.R., a corpsman remembers D-Day 3:12
Kamikazes, the first 5:6
NAMRU-2: 1944-1946, recollections of 6:18
Navy nurses remember the invasion 3:20
photos 3:18
Wright, D., LCDR, USNR, Reserve dental exercise JOTS '93 1:4

ZAGREB, Fleet Hospital, treating casualties 4:4
